

Qualified Educators

We are healthcare professionals

All our classes are delivered by experienced healthcare professionals who are qualified to educate and prepare expectant and new parents for their pregnancy, delivery and post partum journey.

What does it take to become a Baby Academy Professional?

- Our Nurse Midwives (CNM) and Midwives (CM) are board certified and licensed to practice at a Masters level or above.
- Our Breastfeeding Instructors are all certified as International Board-Certified Lactation Consultants.
- Our Pediatric Nurses are board certified to CPN level.
- Our Postpartum Healthcare Specialists hold certification in perinatal mental health.

In partnership with

Pregnancy and Parenting Education Made Easy

Get easy and convenient access to live and on demand online education, resources and 1-to-1 email support, when you want it in the comfort of your own surroundings.

Delivered by engaging, knowledgeable and experienced professional healthcare instructors, our classes bring you lots of well structured, useful information, including great content, tips and resources that are easy to follow.

150,000 first-time moms in the US registered for our classes in the last 12 months

We know it's a time of huge learning and can be a little daunting, not knowing exactly what to do and what to expect. We're here to help with the very latest information you'll need to:

- Gain the knowledge you need about parenthood.
- Improve your knowledge of labor and childbirth.
- Help alleviate any anxieties you may have.
- Be informed for decision making during labor and birth.
- Obtain information on breastfeeding.
- Learn how to care for your new baby.
- Manage baby safety and first aid.

+ much more.

How It Works: 3 Simple Steps

- 01** Book your Childbirth Class online at: **Patient URL**
